

A photograph of a tanning bed in a room. The tanning bed is the central focus, with its top panel glowing with a bright, warm light. The words "Rockstar Tan" are written in a black, cursive font across the center of this panel. Below the top panel is a control console with several circular buttons and a small digital display. The tanning bed is mounted on a dark, curved base. In the background, a rectangular mirror with a decorative frame is mounted on the wall, reflecting the room's interior. The floor is made of light-colored wood. The overall lighting is warm and bright, primarily from the tanning bed's lamps.
